## CAG TECHNOLOGIES WARRANTY PERIOD FOR ALL PRODUCTS

All products supplied by CAG Technologies are warranted to the original buyer for the period stated in the chart below. CAG provides a warranty period that meets or exceeds the suppliers/manufacturer's warranty period. The full warranty includes parts and labour costs. Labour rates will be agreed upon prior to a technician being dispatched to perform a warranty repair on behalf of CAG Technologies. CAG Technologies may establish time restrictions on repairing certain products. The warranty period begins on the date of shipment, where the product is to be free of any defects in materials and workmanship. Subject to terms in this section, CAG Technologies will repair or replace, at its option, any products or components that are found to be defective or nonconforming provided that the buyer gives written notice of a defect or nonconformity within the warranty period. Buyer shall make the product or component available for CAG's inspection or, at CAG's option, shall return the product or component to CAG or a designation location based on our shipping instructions. This warranty shall be void in case of: any Buyer modifications not approved by CAG; use of non-authorized replacement parts; mis use or failure to maintain or service the product in accordance with CAG and its supplier's recommendations. This warranty applies only if the Buyer has followed CAG and its supplier's approved maintenance schedules and procedures stated in all products operating manuals. This warranty is in lieu of all other warranties or obligations, expressed or implied. CAG expressly disclaims all implied warranties of merchantability or fitness for a particular purpose. Buyer's exclusive remedy for breach of warranty is replacement or repair, at CAG's option. Buyer's sole remedy is limited to repair or replacement of nonconforming goods. There are no warranties which extend beyond the description on the face here of.
